Question 3- Looking at Family Ministry overall.

BUC's Family Ministry has mostly consisted of these 3 programs, (as well as the 9.15 Children's Corner and some other events). It was, in part, created as a response to Carolyn Kitto's Review in 2012. So now, 5 years on, it's the time to review, rethink, and generally reflect on the future of this ministry.

So what do you think of BUC's Family Ministry and how do you see it its future?

Thank you for taking the time for this survey, blessings Cogs
