

Holy

What does it mean to be **holy**?

Do these pictures give you any ideas?

The song "The Heavens shall declare" suggests that the holiness of God is seen in all of creation – the heavens and the land.

Today we will make a beautiful creation that will show the holiness of God

Creation Diorama

You will need:

A box about the size of a tissue box.

Coloured papers, blue, brown green

Gold, silver or coloured star stickers

Modelling clay or playdough in various colours

Stencils for trees, flowers printed on card

What to do:

Trim the box so that the sides are approximately 5-7cm wide

Line the top of the box with dark blue coloured paper.

Arrange star stickers in the sky.

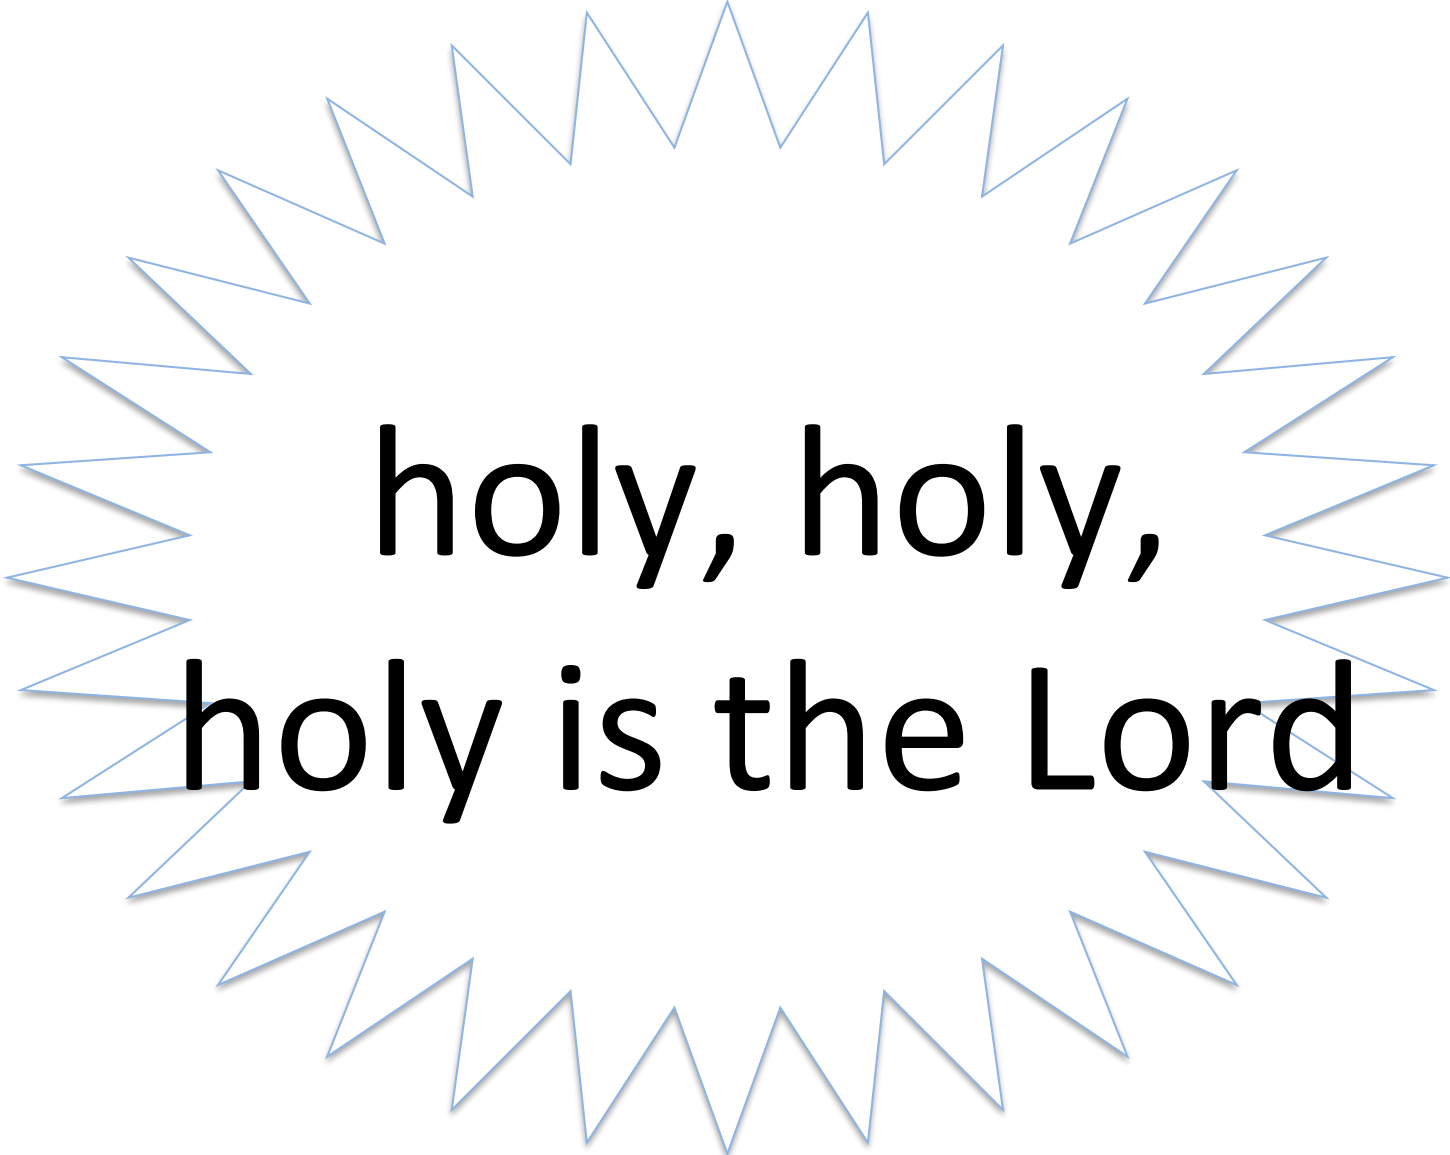

Line the bottom half of the box with green or brown paper.

Colour and cut out trees and flowers. Attach tabs to the bottom of the box.

Make animals using the modelling clay/playdough.

Colour the label "Holy. Holy. Holy is the Lord" and glue to the back of the diorama.

**holy, holy,
holy is the Lord**
